

## Government Types: Limited or Unlimited Power?

**Directions:** Look at the government types listed. Determine if the government type listed has limited or unlimited power. Circle your answer. Then explain your answer. Be sure to use your government vocabulary sheet for reference.

**Limited Power:** Where the government's power has some restrictions and those restrictions are based on laws, actions found in a constitution, and/or the people they serve.

**Unlimited Power:** Where the government's power has no restrictions and the government may act how they want, when they want. NO constitution or laws restrict the government.
